About Us

About 365 EduCon

365 EduCon (by SPFest) is committed to our mission of providing the best series of regional Microsoft 365, Power Platform & SharePoint conferences in North America. Our localized approach to training events allows for greater accessibility to the best content, speakers, and Microsoft resources while providing all features of larger national conferences. The increased intimacy of a regionally focused event provides an experience unlike anything else for attendees and vendors alike.

365 EduCon brings together business and government executives to learn and interface with Microsoft and our world class Microsoft 365 Power Platform & SharePoint experts.

As a sponsor of 365 EduCon, you will have multiple opportunities to engage with our attendees throughout the conference. Breaks, lunches, and Ask the Experts all take place in the expo hall, allowing ample time for attendees to interface with sponsors and exhibitors. In addition, we have multiple activities to engage the participants with you including a prize drawing, and an event app game that encourages attendees to connect with sponsors and exhibitors.
